Spiritual Direction offers gentle and nonjudgmental care for your soul. A trained Spiritual Director offers companionship on your life's journey in the presence of the Holy Spirit. Then together we prayerfully look to the Holy Spirit as the source of all spiritual healing, growth, and guidance. Spiritual direction nurtures your capacity to become ever more attentive to God's generous grace in your daily life, discern God's will in major life decisions, receive healing from emotional or spiritual wounds, and draw ever deeper into God's abiding love for you.
